## Welcome to Whitford

Where good ideas come to the surface!

Our business is solving problems. As our mission statement says, "We combine superior service with innovative solutions to our customer's problems via our products and related technology".

Our website is filled with helpful, detailed information on our many coatings. If you don't find the answers you need quickly and easily, please contact us.

And if you have any suggestions as to how we might improve this website, we'd be grateful if you would send them to us.

## Have a problem a coating might solve?
